

Pre-sale information

A:

The latest versions of all instructions are always available on the R82 website R82.org/support and can be printed in larger sizes

B:

The Stingray has been designed for children who need good comfort and support. The seat depth and back height are easy to adjust, making it possible to expand the seat as when the child grows. The Stingray is suitable for users needing practical outdoor transportation, e.g. children with CP, GMFCS level 3-5. The Stingray comes in 2 sizes.

C:

The Stingray is suitable for users needing practical outdoor transportation, e.g. children with CP, GMFCS level 3-5.

D:
